	First unit	1,100.00	(5)
	Each additional unit	300.00	(5)

Notes:

1. The Health Department is no longer furnishing a letter verifying condition of individual septic systems.
2. Multifamily includes apartments, condominiums and any residential structure arranged or designed to be occupied by more than two (2) families.
3. A \$50.00 deposit is required at the initiation of residential sewer service. The deposit is \$125.00 for larger commercial users
4. Any unit with a separate water meter shall be considered a separate commercial connection.
5. Out of Town connection fee shall include \$1,192.50 plus \$2,900 for each ERU (5,000 gallons of consumption per month) or fraction thereof.  
Director of Wastewater Operations shall determine connection fee.

Note: Effective 9-1-96 a back flow control valve is required on all building sewer connections. The installation, operation, and maintenance of the device are the responsibility of the property owner.

Note: For the purpose of these rates and charges, Commercial Connection or Customer includes anything other than a single family residence (including Townhouse) or a residential duplex.
